Why become a Sponsor?

Every City
Needs A Hero...
Like You.

YOU are funding the programs. We literally can't do this without you. Every dollar we earn from our fundraisers go directly to program expenses.

Reach a new audience and increase your brand's exposure by supporting Safe City Mississauga, a charitable non-profit providing no fee crime prevention programs to Mississauga since 1992.

Communicate a message for a shared audience with the Chief of Police, who graciously provides the attendees with a presentation that is unique to the Justice Luncheon.

Promotion focused partnership with Safe City Mississauga – an organization with over 7,000 participants across the city.
